Best option — = Not recommended. TBD = Values were not available at time of printing. <sup>1</sup> Full capacity only provided by 40-B220X or 40-B330X. <sup>1b</sup> Full capacity only provided by 40-B540X.  
<sup>2</sup> Requires BLi backpack batteries <sup>3</sup> Run time refers to the use of two batteries <sup>4</sup> Requires adapter plate and battery adapter for use with backpack battery. The runtimes are up-to times and correspond to work time using energy saving mode: actual work, basic maintenance and movement/climbing needed for generic operations.  
Given guidelines are indicative only and may not always be repeatable from one setting to another.
